FLEXIBLE EVENT SPACE

Endless opportunities to host socially distanced meetings and enjoy all that lake life has to offer year round.

SOCIAL DISTANCING

Protocols in place from arrival to departure.

- 72” round tables seat a max of 4 attendees.
- One per 6 foot on a Classroom or U-Shape set.
- All attendees receive personal pad, pen, bottled water, hard candy and sanitizer.
- Social distancing markers can be strategically placed as a reminder to guests to remain six-feet apart while in indoor spaces.

FOOD & BEVERAGE

Socially distant breakouts, individually plated menu items, chef attended stations spread strategically throughout event space to eliminate overcrowding while experiencing highest level of culinary expertise.

KRISTIN LYONS

Director of Meetings & Special Events

Kristin and her team are eager to collaborate and partner on your next event. Prepared with the extensive knowledge and best practices to successfully execute a memorable and productive meeting.

THE RITZ-CARLTON BALLROOM

Dramatic 18-foot ceilings and generous pre-function space with natural lighting, that opens up to an outdoor balcony. This grand ballroom can spaciouly accommodate up to 200 attendees.

THE PAVILION

A farmhouse inspired venue with an indoor-outdoor stacked stone fireplace, covered porch and retractable doors for open air flow. The 6,000 square foot space allows for classic or unique set ups, such as exhibits, with proper distancing.

GEORGIA ASSOCIATION MEETING

Held August 2020

In order to include everyone who wanted to participate in our meeting, we turned it into a “hybrid event,” meaning that we had the live, in-person elements at the resort, but also ran a live stream of the event through Zoom. The logistics of this kept me up at night, but it ended up being the easiest, most seamless part of the whole meeting. The A/V Team was FANTASTIC! My program chairs were so happy because everything ran so smoothly. Smoother than any other A/V set we’ve had in the past. With the live stream, it also allowed onsite attendees to retreat to their guestroom and watch from there.

For our Food & Beverage set up, we divided the attendees into 3 stations. Each attendee had a colored dot (red, green or blue) on their name badge. Colored stations were identified and attendees were only allowed to get food and beverage from their designated station.

Overall, I’m so glad we had this meeting and I feel confident that any meetings we have moving forward will be as successful as this one. THANK YOU SO MUCH to everyone at THE RITZ-CARLTON REYNOLDS, LAKE OCONEE!!
